PT SHIRO XPRESS INTERNATIONAL

ABOUT US

- ◆ Established in 2022, PT Shiro Xpress International began its journey as a prominent player in the shipping and forwarding industry under the esteemed GDX Group. With a steadfast commitment to reliability and efficiency, we swiftly gained recognition for our excellence in navigating the complex logistics landscape. As years passed, our dedication to meeting the diverse needs of our clients led to a natural evolution. Expanding our horizons within the GDX Group, we embraced the opportunity to venture into the export market, specifically in coconut derivative products.
- ◆ The transition marked a significant milestone for PT Shiro Xpress International. Today, our company stands as a beacon of innovation and versatility, seamlessly integrating our expertise in shipping and forwarding with the export of premium coconut products. From briquettes to charcoal, copra, and coconut oil, each product bears the hallmark of our commitment to quality and sustainability. This strategic growth not only reinforces our position as a key player in the logistics sector but also solidifies our presence as a dynamic force in the export of coconut derivatives, contributing to the success and global reach of the GDX Group.
